

## Clap

Clap is a bed with a clean—cut visual appeal, featuring a rounded headboard that resembles a stone (clap, in the Friulian language) that has been smoothed by water. It is available in three variations: raised on slender, recessed feet, in a sommier or storage version, to optimise space under the bed base. Designed for optimal comfort and ergonomics, the sommier version features seven possible heights in the recess between the bed base and mattress.

DESIGN Bluezone

Clap è un letto dall'estetica essenziale, caratterizzato dalla testiera arrotondata come un sasso (clap, in lingua friulana) levigato dall'acqua. È disponibile in tre varianti: rialzato su piedini sottili e rientranti, in versione sommier o con contenitore, per ottimizzare lo spazio sotto la rete. Studiato per la migliore comodità ed ergonomia, nella versione sommier presenta sette possibili altezze nell'incasso tra rete e materasso.
